National Italian Contest Security and Academic Integrity Policy

Using or attempting to use unauthorized assistance, which includes but is not limited to consulting with other people, using books and electric devices, is a violation of the academic integrity policy of the National Italian Contest.

Students and teachers are prohibited from discussing exam questions, during the exam period. You may not give the questions to anyone, discuss them with anyone, or share them through any means, which includes but is not limited to, email, text messages, camera phone and the Internet.

Violation of the test security policies may result in score cancellation and privileges, and under some circumstances teachers and/or students may be permanently barred from future testing.

I hereby abide by the Academic Integrity Policy and agree to maintain the confidentiality of the National Italian Contest. I agree that I will not share the nature or content of any question or answer with anyone including my teacher.
